## GENERAL IMPRESSIONS

When I first saw the preview for Elden Ring, at first I didn’t realize that it was an action RPG. The video did make it seem a little like it was going to be something more like a fantasy turn-based-strategy game—but upon further study, I discovered that this is not the case. Rather, the world of Elden is one where players directly interact with the actions they undertake through an action-RPG by changing the environment and place life and death on the line in a live, open environment. There are no stagnant battles where players are merely spamming attacks, but rather a robust and unique battle system in which attack and defense work in tandem and the player takes an active role with buttons pushed, traps sprung, and enemies dispatched.

Although action-RPGs are common enough it seems to be not as well-known a genre as some, I feel that it is a genre that is ripe for growth. Not to say that there aren�

## What's new in Elden Ring:

**Battle and trade with players at proper Elden Lord rank on a massive open field, and develop your base and guild together with them! The following information outlines the details of the “BATTLE OF RANKS” that will start from the release of the game to the Open Beta.**

### Overview

**The battle between Rank 1 and Rank 50 will commence on the release of the game. To participate in the battle, you’ll need to have 30 or more usual battles won in total. A battle will take place with the minimum amount of players required, and winning rate, or rank, will be announced to players in the Open Beta.**

### Step by Step Guide for the Battle of Ranks

**If you are Rank 1, you’ll be granted the opportunity to enter the month-long GRAND BATTLE OF RANKS, and increase your rank by accumulating battle experience when you win a match. Players who rank up will receive the GRAND BATTLE OF RANKS reward in proportion to your current rank.**

**If you are Rank 50, to participate in the attack on Rank 1, all you need to do is gain access to a “Grand Alliance Army” by winning an event. The quantity, or direct rank, of your characters is determined by the combined number of players participating in an event. As such, if the event’s winner at rank 50 gains an alliance army comprising the total players who participated in the event, they’ll automatically receive an access to the Rank 1 battle the day before the event runs.**

**Details of battles will be announced with the release of the game, and will be published on NTT’s open PlayStation Network following the completion of the game. Check out the new game content now!**

### Combat Motive: Rise, Tarnished, and Become an Elden Lord

**In the Lands Between, you are your own master and law. You’ll encounter all sorts of normal people, monsters, and demons that have been released into the world. All of them have their own personalities, thoughts, and motivations, and will have their own share of pleasant or troublesome events. However, the one thing they all have in common is the desire to live.**
